30 AÑOS

CARTA DE LA TRANSDISCIPLINARIEDAD

Celebración Mundial por la Paz

- 1- How has TD changed the way we look at each of us?
- 2- What is the challenge-future of TD?
- 3- How does TD contribute to understand the collapse or transition processes?
- 4- How can TD teach mediation as a national and international conflict resolution methodology?
- 5- What methods can be used to translate TD proposals into practice for the solution of problems arising from the Anthropocene?
- 6- How can Transculturality be used as a tool to stop or correct destructive processes that accompany the Anthropocene?
- 7- How can TD bridge communication and information gaps between second-order scientific knowledge and ancestral wisdoms to strengthen our permanence in the face of the civilization crisis?
- 8- How is TD part of sustainable Peace processes in nurturing transversal responses to the problems and priority rights of the human family with other living beings without going through violence?
- 9- How does TD feed new paradigms of sensitive, transparent, shared intelligences and knowledge that go beyond all segmentations, divisions and predator vs. predator logics?
- 10- Do we have the strategies and the theoretical, methodological and practical devices to strengthen transdisciplinary projects of social justice, peace and human solidarity?
- 11- What role should researchers, academics and teachers at multiple educational levels play in articulating transdisciplinarity in their daily work and coexistence scenarios?

(PROBABLE) PROPOSALS OF WORLD GROUPS AND THEMES FOR EACH GROUP:

Participation of 30 minutes per group, with a maximum of 10 groups.

(Mex-8 to 13 / Eur-15 to 20 HS / Bra-11 to 16 / Bol and Can-10 to 15HS)

**SECOND PROGRAM DAY 7 NOVEMBER 2024: FLEXIBLE DURATION
VIRTUAL / ON-SITE TRANSMISSION FOR EACH COUNTRY**

I. Local World Celebrations: Each country decides the format or modality of participation based on the block of questions. Suggestion; 4 to 8 hours for each country, region.

- Participation will be hybrid, face-to-face/virtual, according to the conditions and possibilities of the different groups.
- BOTH THE WORLD CELEBRATION AND THE LOCAL CELEBRATIONS SHOULD BE RECORDED IN VIDEO FORMAT, IN ORDER TO UPLOAD THIS VALUABLE MATERIAL TO THE COMPLEX TRANSDISCIPLINARITY WEBSITE, AS A HISTORICAL AND CURRENT TESTIMONY OF TD. **THE RECORDINGS WILL REMAIN ON THE YOUTUBE CHANNEL OF THE TRANSDISCIPLINARITY WEBSITE, AND WILL BE LINKED TO THE OTHER WEBSITES OF THE PARTICIPATING GROUPS.**
- The programs of the 7th can be elaborated until the month of August, to be able to upload them already well planned and formatted on the Transdisciplinarity WEB page, with a good diffusion.

TD deserves the participation of 15 to 20 countries, not for the quantity, but for the diffusion and projection of the Global TD Network, and for what TD can and should contribute to re-humanize the world, to stop the ecological destruction.
